ONLINE UPLOADING PLATFORM

Authors are kindly asked to **upload their abstract to the online platform by 4 May 2022 at 11:59 am CET**. Please note: **there will be no extension to this deadline**.

After uploading your presentation, you should receive a confirmation email. **If you do not receive a confirmation email, please contact us as soon as possible**.

An email will be sent to all authors with a link to connect to the platform. Here are then the steps to follow:

- Submit your **one-page PDF file**
- Select interactive zones on your PDF. The viewers will be able to zoom in on these zones.

POSTER FORMATTING

To ensure an optimal delivery of your poster presentation, please follow these

guidelines: **PREPARATION**

- Your poster should be **submitted as a one-page PDF** and displayed in **landscape orientation, 16/9 ratio**.
- You can use one of these PowerPoint templates ([DOWLOAD TEMPLATE](#)) to create your content & then export it as a PDF.

QR CODES

- QR codes are allowed on all posters for the purpose of disseminating scientific and educational content. The information available using the QR code should be freely accessible and should not require any specific log-in. In agreement with applicable laws regulating the use of promotional activities in the context of medical events, QR codes should not give access to company sponsored websites.

Our technical support will be pleased to help you: support@cyimhelp.zendesk.com

We wish you all the best for the preparation of your abstract and look forward to receiving your upload.
